

A Message from the Mayor

As my first official Message from the Mayor, I want to let each one of you know that it is my honor to serve the community that I have called home for 35 years in my new role. As Mayor, I will challenge myself to be the best public servant that I can be each day and I challenge each of you to contribute as well. I consider you part of the extended team that helps to make this community a success.

The Village Board has several new members as of 2021. Each of whom bring a wealth of knowledge and experience to their new position. Trustees Matthew Hickey, Matthew Krummick, Dan Love and Jim Connell, as well as Village Clerk Luke Stowe are committed to serving the community. Senior Trustees Scott Adams, Peter Garrity and I are looking forward to serving the public along with this new team. To learn more about the Mayor and Village Board visit www.libertyville.com/VillageBoard.

2020 brought many challenges for each of us. As we head into summer the future looks bright with opportunities to spend time together again. The Village is excited to offer many of its regular summertime events in 2021. The Village will be hosting its annual fireworks display on July 4, 2021 at Butler Lake. MainStreet Libertyville, The Libertyville Civic Center and The Adler Arts Center have worked hard to plan events with COVID-19 precautions in mind so that Libertyville Days, Dog Days of Summer, the Farmer's Market, Out to Lunch, the Fine Arts Fest and many more will go on. I encourage each of you to come out to support these great local events. To learn more, visit the Village's community calendar at www.libertyville.com.

Our local businesses continue to offer many ways to patronize and support them. The Village has developed options for you to locate and identify the business that you are searching for. Visit www.libertyville.com/businessdirectory to search a listing of businesses that operate within the Village. Looking for a place to shop in Libertyville? Visit www.shop60048.com. Ready for

Support the Local Businesses

This summer do Libertyville Your Way! Help support the local businesses by visiting in-person, online or by phone. You can find a business in Libertyville to meet your needs by visiting www.shop60048.com. Don't forget to also Get Your Forks Out! Check out the Village's dining website www.libertyvilledining.com to select from one of our 84 restaurants. Can't decide, play restaurant roulette on the dining site to help you find a great option.

Farmer's Market

The annual MainStreet Farmer's Market which is held in Cook Park is open for business! Each Thursday from 7:00 a.m. to 1:00 p.m. through October 22. Due to the COVID-19 pandemic the rules of the market have changed to protect guests, volunteers and farmers/vendors. To view the rules visit www.libertyvillefarmersmarket.org.

dinner out on the town or a Takeout Tuesday? Visit www.libertyvilledining.com to find your next meal at one of our 84 restaurants. Thank you to everyone who has continued to support **YOUR** local businesses throughout this time. Remember "Shop Libertyville".

The Libertyville Sports Complex will re-open this summer since it was closed due to the COVID-19 pandemic in March 2020. The complex will operate through a lease agreement with Canlan Sports. I encourage you to visit www.libertyvillesportscomplex.com to learn more about all of their offerings. The Village looks forward to a long partnership with Canlan to provide recreation and sports offerings to our residents.

Please continue to monitor the Village's website and social media pages for up-to-date information as it relates to events and Village happenings. Enjoy time with your family this summer and remember to

Do Libertyville Your Way!

Water and Sewer Bills

Get your water bill electronically!

Email waterbill@libertyville.com with your name, email, and property address. Note that once you begin receiving an electronic bill, you will no longer receive a paper copy in the mail. Your water bill can also be paid automatically from a bank account. Visit www.libertyville.com/waterbillform for an application. If you prefer to pay online with a credit card, you will need your account number and PIN (check the top right corner of your bill). Review your account history by accessing your account online.

Libertyville Sports Complex Update

On April 27, 2021, the Libertyville Village Board approved a two-year lease agreement with Canlan Ice Sports Corp. under the "Canlan Sports" brand name to operate the Village's Indoor Sports Complex Facility which has been closed since March 13, 2020 at the onset of the COVID-19 pandemic. Canlan intends to reopen the Indoor Sports Complex on July 1, 2021, with a ramp up to full programming by the fall. The lease agreement grants the option for Canlan to purchase the complex at a later date. To learn more about program offerings available at the Sports Complex visit www.libertyvillesportscomplex.com.

Recreation Department Update

The Libertyville Recreation Department has a new office! To register in-person for programs or to stop by with questions visit us at 870 Country Club Drive. To learn more visit www.libertyvillerecreation.com.

Annual Water Quality Report

To view the Annual Water Quality Report, please go to www.libertyville.com/2020CCR. This report contains important information about the source and quality of our drinking water. If you would like a paper copy mailed to your home, please call the Public Works Department at (847) 362-3434.

Lunch in the Park—June 25 - August 6

Car Fun 21—June 16 - September 15

Arts Festival—August 7 - August 8

Libertyville Days—August 12 - August 15

Libertyville is Moving Forward and Joining the Global Team of Cities Working on Sustainability

Dave Wilms - Sustain Libertyville Commission

A few years ago, when electricity prices were deregulated state-wide, the Village participated in the municipal aggregation option to help residents receive cheaper electricity rates by aggregating all the residents together. The Village leveraged its collective size to get electricity prices at a better rate than individual account holders could get on their own. This has allowed Village residents to save over \$3.5 million dollars on electricity. This was all due to the efforts of the Village Board.

Today, a new situation has developed in "Village" aggregation electricity procurement. The Village now has an opportunity to get 100% clean energy at or below the cost of ComEd regular energy.

Clean energy sources like wind and solar are the cheapest form of energy today. This is why coal and nuclear plants are needing support to remain operating. Some say, if you build it, they will come, but this is a case of when you create a demand for clean energy, developers will build it. Clean energy development is driven by demand. When villages, cities, states, etc. choose clean energy, more developers will be motivated to provide it. If you have ever driven by a wind farm on a windy day, and the turbines are all off, there is a good chance that they did not have a market to sell the clean energy at that time. Let's create the market and join the global team of cities around the world, all working hard to reduce carbon in our atmosphere. If enough clean energy is developed, our electricity costs will actually go down. Now that is some good news on both environmental and economic fronts.

Electronics Recycling

The Village offers a Residential Electronic Waste curbside pick-up program through Groot Industries. The program is offered at no additional cost to residents. Collection will occur on your regularly scheduled refuse pick-up day each week for up to three acceptable Electronic Waste items which are placed curbside. **Please contact Groot at least one business day in advance at (847) 566-5361 to notify them that electronic waste will be placed curbside.**

Electronic Waste means items as defined under the **Illinois Electronics Products Recycling and Reuse Act** including computers and monitors, printers, digital converter boxes, fax machines, video cassette recorders, portable digital music players, video game consoles, scanners, electronic keyboards, small scale servers, digital video disc players, electronic mice, televisions, cable receivers, satellite receivers and digital video disc recorders.

Televisions or other acceptable items in excess of 50 pounds will require an additional charge of \$50.00 per unit.

Residential Composting

Did you know that residents can participate in residential composting?

Residents may rent a 95-gallon cart from Groot at a one-time rate of \$40.00 per season (in addition to the landscape waste subscription rate of \$170.00). Residents renting a cart for landscape waste will be permitted to place organic waste (fruits and vegetables) in the cart for collection along with their landscape waste.

To set up residential composting service contact Groot at **(847) 693-2700**.

Fireworks Safety

Fireworks are often used to mark special events and holidays. However, fireworks are not safe in the hands of consumers.

Fireworks cause thousands of burn and eye injuries each year. In Illinois the following fireworks

are illegal: Bottle Rockets, Firecrackers of any size or type, Sky rockets, Roman Candles, Chasers, and any ground items other than those identified as approved consumer fireworks.

One of the approved consumer fireworks most often encountered is the sparkler. Don't be misled, sparklers are extremely dangerous if not handled with extreme caution. The risks associated with Sparklers include flying sparks and the temperature at which a sparkler burns, see the illustration (opposite). These seemingly safe fireworks can cause third degree burns and eye injuries if not handled appropriately. As with any dangerous item, adult supervision is advised, don't let children play with Sparklers while unattended or without guidance.

Keep your summer safe and legal, follow all manufacturers safety guidelines on consumer fireworks and don't use illegal fireworks.
