Installation and Maintenance Agreement

I/we hereby agree to complete the installation of the native plant material as approved by the Village of Libertyville and identified in the cul-de-sac planting application within 60 days of approval (or as otherwise agreed upon). After the installation of this project, I/we agree to complete all maintenance associated with the application and proposal, including watering, weeding, etc. I/we further agree to schedule an inspection of the completed project within 30 days of completion. I/we agree that should I/we no longer be able to maintain the project area a new "project owner" contact will be provided to the Village of Libertyville. Finally, I agree that upon failure to maintain the project area, the Village of Libertyville reserves the right to remove the plant material installed under the application.
