Metra Prairie Crossing Entrance Sign Narrative

The Metra Prairie Crossing Entrance sign at 3001 Midlothian Rd is deteriorating and beyond simple repairs. The plywood backing is rotting, and the foam sign overlay is crumbling. The Village would like to install a new sign more akin to the entry signs on Milwaukee Ave. Funds are budgeted to perform this project in the F/Y 2025-26 budget.

Sincerely,

David Thornborough

Superintendent of Public Works
