

114 EAST COOK AVE  
LIBERTYVILLE IL

We would like to paint all vertical areas on the facade that is above our awning this cream color (The red arrows are pointing to where it will be cream) :

We would like to paint all trim that is around the Cream area this White color:

We would like to change our front and back door to a full exterior glass door to help draw customers into our store.

The door will be the same Cream as we are using on the top and the trim will be the same white as the trim on the top.
