

NorthEnd Apartments Dumpster Enclosure Plan

Elevation: 6' tall dog ear fencing
Red Cedar + Black metal support posts (4" x 4")

Summary:

NorthEnd Apartments is planning to install a 12' x 12' dumpster enclosure at the south east end of the parking lot.

The existing dumpster enclosure was not practical and the driveway on the West end has been excavated for landscaping and greenery.

This new location will be on a permanent 12' x 12' concrete slab, and will be in a space where it is out of the way for residents, but convenient for the garbage collectors.

1 Double gate w/ steel hardware ~12 feet wide

Gate reinforced with steel to hold up to daily use

Utilizing existing dumpster (8 yard)

~12' x 12'
square
enclosure
