To whom it may concern,

We will be installing a new building sign and new tenant panels on the existing monument sign for Caravel located at 1133 Milwaukee Ave.

The building sign will be 20'8" x 2'5" and will be internally illuminated with LED's. The sign will be made of acrylic with translucent vinyl. It will be installed on a backer pan made of aluminum flush to the wall. We will connect to existing electric within 6 feet. The store front dimensions are 50'x 12'6"

The tenant panels will have blue lettering on a white panel. The white panel will match the white on the other tenant panels that are currently on the monument sign. Tenant panels measuring at 7'x1'
